

Christmas Poinsettia Memorials: A tradition has grown at many parishes where people can donate money in memory of a loved one living or deceased; with that money, a grouping of poinsettias will be purchased and displayed throughout the Church during the Christmas Season. The names of those remembered go on a podium that is placed in the sanctuary of the Church; these names are remembered at all Masses during the Christmas Season. The names are also listed on a page in the bulletin throughout the Christmas Season. This might be a nice gift for a loved one; it might be a good way to honor a loved one who is deceased; and it will make the Church look even more beautiful for the Christmas Season. I do want to be clear that the money donated will buy poinsettias of different sizes; there will not be one poinsettia for each donation.

Please complete the information below and place it in an envelope marked "Poinsettia Memorials" and return with your donation of \$20 per poinsettia in the collection basket at any Mass or mail to the rectory at 5130 Wilson Ave., 63110
Please make the check payable to St. Ambrose or scan the QR code below to pay online.
