

EUCCHARISTIC ADORATION

*Dear Jesus, we are unable to spend private prayer time with you
in Eucharistic Adoration
this Holy Easter season, however, we are ever more aware during
this pandemic,
of the suffering and love you endured for us.*

The Resurrection of Our Lord

“Indeed, we are saturated daily with news of wars, riots, famines and natural disasters, now, the rising number of our fellow Americans, struck by this coronavirus. Death, destruction and evil seem to have the upper hand.

But because of today, ***Easter Sunday***, we know otherwise. Jesus is risen. He has smashed the forces of evil and Satan forever. Suffering, evil and death will NOT have the last word, either in our world or in our own lives.

Whatever suffering or trial may be afflicting you, your family, our community, know that it is not the final word”.

Jesus is risen! This is the real news, and it is Good News!

Msgr. Stephen J. Rossetti, Living Faith
